SOUTHERN HIGH ALAMANCE CO 1960

Foreword

In this, our first Southern High yearbook, the staff has tried to capture the significance of the beginning of a new school, and the relationship of each student to a new way of school life.

The yearbook is not meant to be an historical book, but rather one which will show the various trends, friendships, studies, and special activities that are the result of four schools becoming "All One Body We."

As we planned this book, our one thought was that the students like it. This is your 1961 SOUTHERNER. May you treasure it always.

In the beginning. . .

A county school superintendent, Mr. C.C. Linnemann, had a vision of consolidated schools. . .

Financed by a special bond election of six and a half million dollars that was passed on September 27, 1958, by. . .

The voters of Alamance County, voicing their support of improved educational facilities for their young people.

ALEXANDER WILSON

SYLVAN

These four schools...

E. M. HOLT

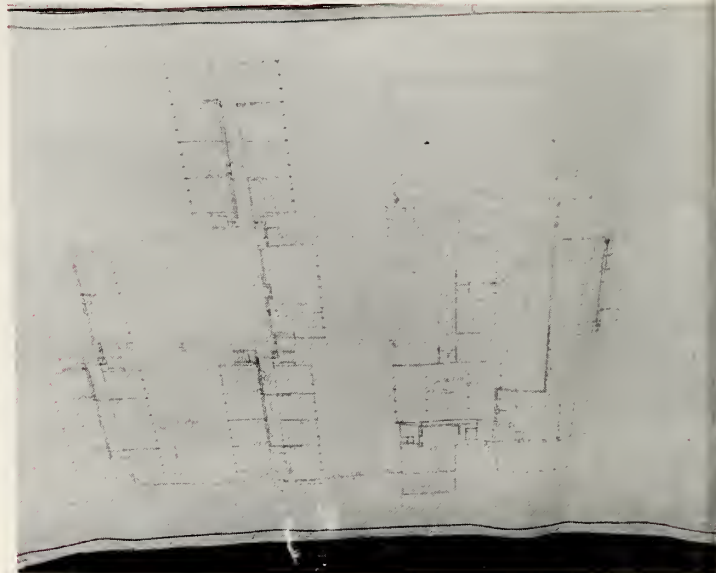

ELI WHITNEY

Worked together. . . .

This land site, composed mostly of the Mike Foust Estate, was purchased for the new consolidated high school.

These were the plans for the school which will accommodate approximately eight hundred students.

The school boards and student representatives from each of the four schools attended the groundbreaking ceremony for Southern High School on December 12, 1960.

From left to right: Harold Braxton, Arthur Holmes, Paul Moon, Walter Payne, W.E. Overman, W.A. Jobe, O.T. Bailey, Walter Woody, Henry Thompson, R.A. Stanford, Linda Keck, Clay Holt, Karlis Kronberg, E.P. Webster, Terry Zachary, Paul P. Thompson, Clyde H. Pike, and Glenn M. Coble.

To become...

The workers were busily constructing our building, which will be considered one of the finest in the state.

The building went up fast, preparing for the first day of school.

All one body we.

*As one,
we're*

Sometimes things seem too big for a person
to understand.

He either thinks over the problems deeply. . .

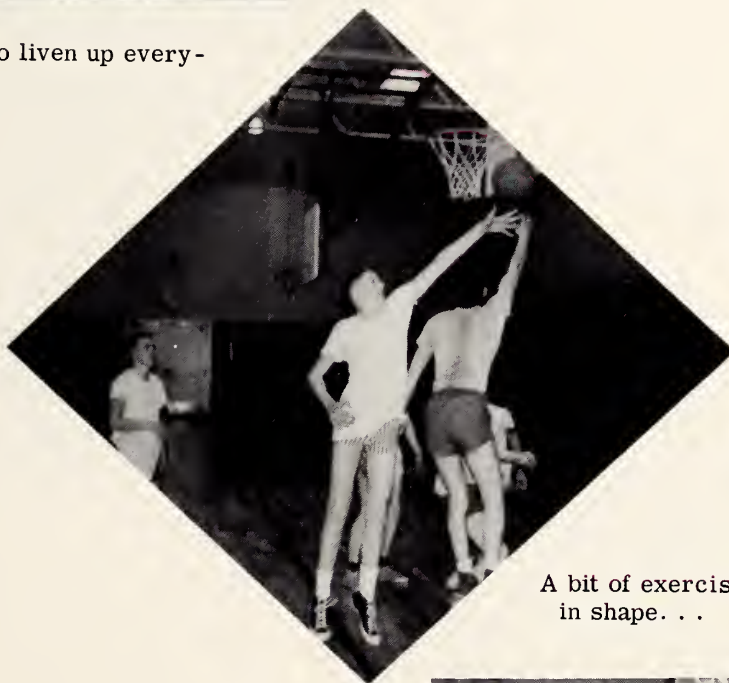

Quiet. . .

or rests himself for the time when he will be forced
to think.

Rowdy . . .

A bit of harmless fun to liven up everything. . .

A bit of exercise to keep the old muscles in shape. . .

A lot of noise to let off steam and keep up school spirit.

Carefree. . .

Man, there's nothing like a terrific party to
keep things going!

*and
Thoughtful. . .*

An important part of the morning is when we
join in prayer for a better school day.

But underneath it. . . .

We play. . . .

The best part of any sport is knowing you've done your best.

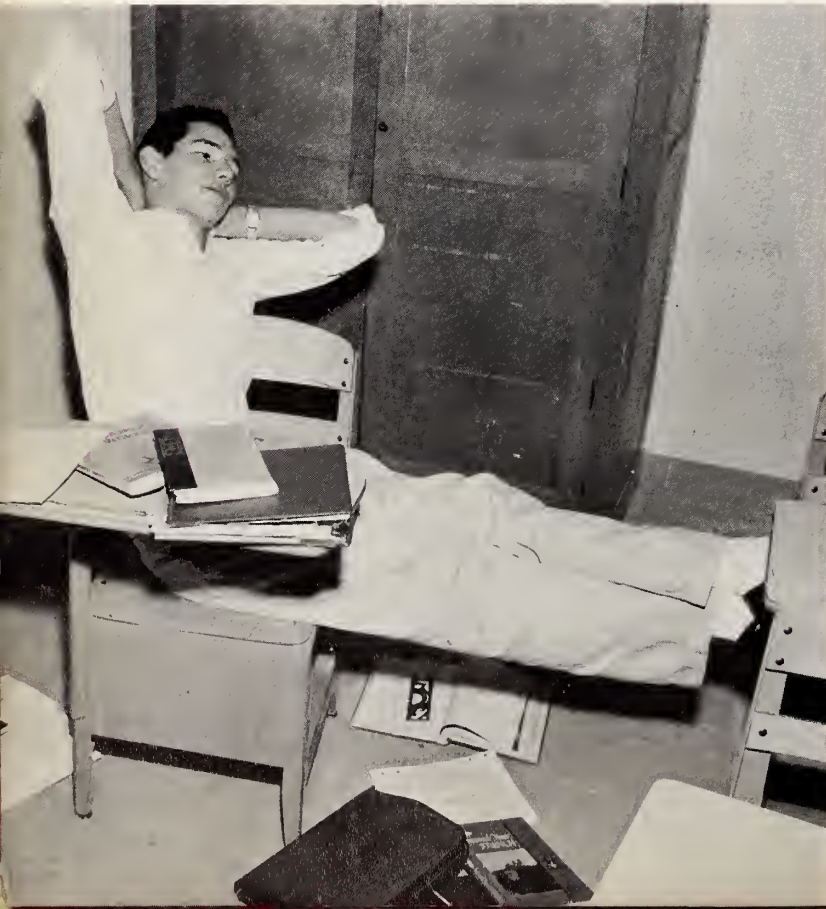

We work. . .

Study halls don't always have uniform shapes and sizes.

We worry...

Sometimes our best just isn't enough.

*Through
one year...*

"I've got it made; now to relax."

To Learn...

Sometimes a helping hand is better than
a thousand illustrations.

The True Meaning...

The glorious moment has arrived. . . .

of. . .

Southern High

Faculty

Friends

We Dedicate

BECAUSE. . .

. . . From your faculty we have received inspiration, guidance, and understanding;

. . . Within your walls we have formed many new friendships that we shall long cherish, and have renewed and strengthened those already dear to us;

Study

Play

...Through long, hard hours of study we have been given an opportunity to pursue and attain life's most valuable possession--knowledge;
 ...In victory and defeat we have cheered our teams, and through our spirit have been drawn closer together.

...Because you have united us students from four schools into one happy body, we dedicate this first edition of the Southerner to you, our own

SOUTHERN HIGH SCHOOL.

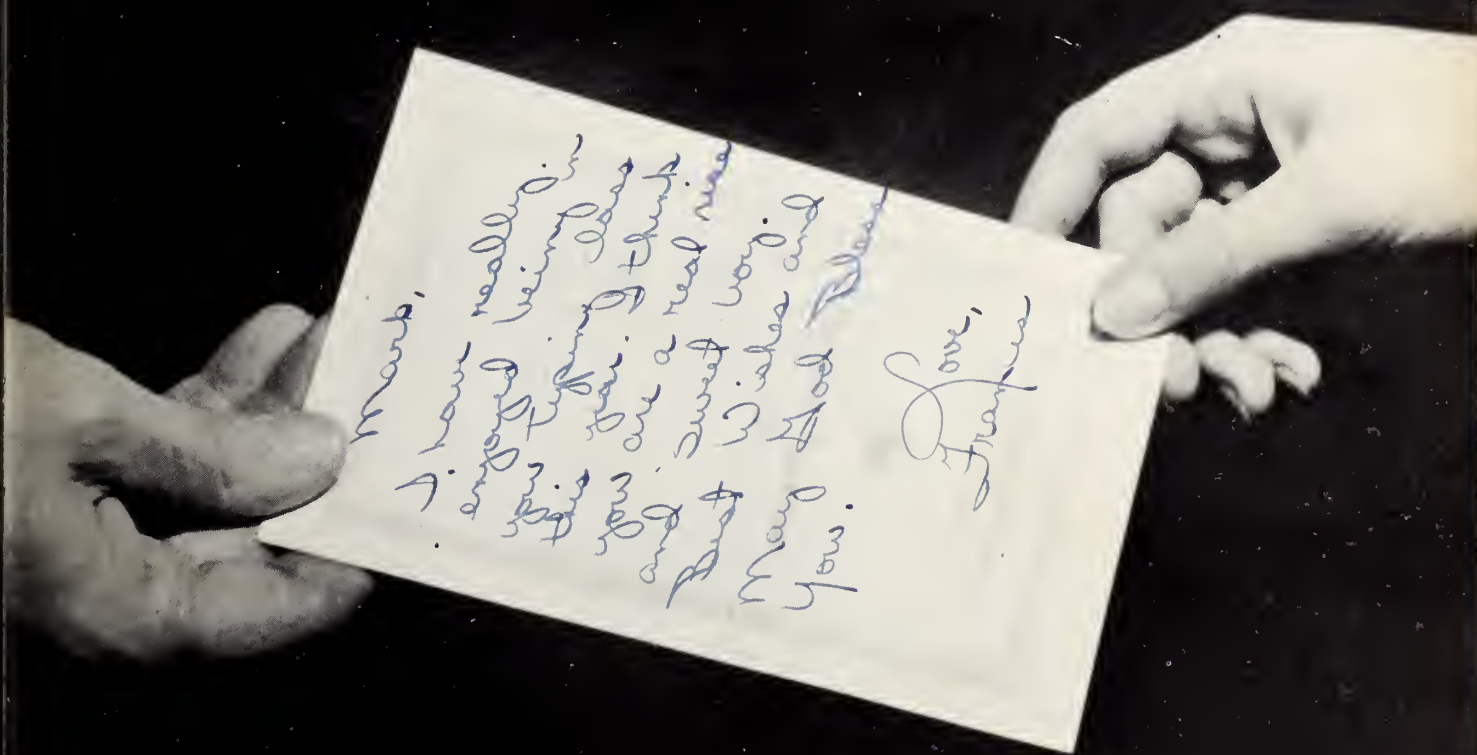

SCHOOL SONG

On, Southern, on--
For we must fight to win this game.
On, Southern, on--
For we must fight to win this game.
Come, boys, you are the ones
To hang our banner in the sky,
And we will tell the whole wide world
That we are proud of Southern High.

On, Southern, on--
You are the choice of all this land.
On, Southern, on--
We will show how united we stand.
Fight, fight, fight for your goal;
Then let the voices loudly cry,
So all can tell that we are proud
To shout the praise of Southern High.

Homecoming 1960

From the very beginning of the evening, the air was charged with excitement as the Southern High football team fought to a 7-7 tie with Oxford.

The band, sponsors, and other attendants surrounded the four senior attendants. As the crowd watched expectantly, the great moment arrived, and Mr. Adcock crowned Southern High School's first homecoming queen.

All those who stayed for the sock hop afterward experienced the thrill of dancing till their feet ached--a wonderful way to wind up a wonderful evening.

...

In mid-August, about fifty boys who had once been arch-rivals of the Mid State Conference came together from all parts of Southern Alamance County to unite into one body, the first Southern High School football team. They received their uniforms and preliminary instructions for the season which lay ahead. They knew the road they had to travel would be a rough one with bruises, broken bones, sprained ankles, and the like; but as true football players, they realized that this was all part of the game.

Mr. Fogleman, ass't.

Take it away, big team, take it away!

The first Southern High School basketball teams met in the newly finished Southern High gymnasium in early December. Led by the very able coaching of Coach Hiram Coble and Coach Jimmy Foster, the girls compiled a 5-11 record; while the boys, after getting off to a slow start, won 10 games in a row and finished with a 13-6 record. Upon the completion of the regular season, the boys were invited to participate in the Class AA State Tournament.

Baseball....

In mid-March of 1961, the Southern High boys met for the first time on the baseball diamond. Under the patient coaching of Coach Abernathy, the boys practiced diligently until the season opened.

Coach Abernathy

Donning their new gray uniforms, they ran on the field showing tremendous "esprit de corps" that characterized all the Southern athletic teams.

The letter men from the contributing schools carried the brunt of the load as our team battled the tough opposition.
